

Since 1981, Fannie Farkle's has become famous for our homeade, footlong **OGLE DOGS**, named after local pioneer Mr. Tom Ogle. People come from near and far just to have one! We use our own secret recipe and do the entire process before your very eyes. Watch us make them while you wait to taste the one you ordered! Yes, they are about a foot long! Any smaller, and you'd only have to order a second one. They're **THAT GOOD!**

We also serve Hawaiian Shaved Ice in over 12 flavors, Cotton Candy, Coca Cola soft drinks, lemonade, hot coffee and cappuccino! Don't forget our **Famous Sausage Subs** made with Smoked Sausage, sauteed peppers and onions! The wonderful aromas at Fannie Farkle's are something to behold!
