## LASER TAG

Get psyched up for the best of laser tag games in an all-new, futuristic arena featuring sentry pods and home bases that fire back! Interactive phasers and your lightweight vest provide cool sound and stun effects throughout your game. Pump it up!

### FOUR DIFFERENT GAMES TO CHOOSE FROM

#### individual play

It's you against everyone else as you move secretly through the maze. High individual score takes all!

#### group play

Team up into two, three, or four groups for some real competitive action. Take the offense and zap your opponents for the winning team score.

#### team capture

It's group play with a twist! When you hit an opposing player, they become a part of your team! Game ends when all players are on the same team.

#### vampire

One or more vampires are waiting to zap you and turn you into a vampire, too. Your mission is to slay the vampires before they turn everyone into vampires!
