Dear Visitor

As natives of Gatlinburg, it has been our pleasure to welcome visitors to the Great Smoky Mountains for more years than we care to count. The warm, friendly feeling Kelley and I felt when we greeted our first guest is still there over fifty years later.

We are proud to have visitors at our hotels because each and every room is an extension of our home. We are truly glad you decided to spend time with us here in the Smokies, and if there is anything that we can do to make your stay more enjoyable, please don't hesitate to ask.
