Little River Productions Inc. Presents:

Murder On American Idle

© 2008 Willie Cothren

Upbeat from the beginning as Paula Fazoul, Simon Cowan, and Niles Jackson work the crowd into a frenzy as the audience competes for a spot on American Idle.

The lucky contestants who will be on stage singing to Karaoke will be judged by a distinguished panel of judges including audience members who will become part of the panel.

But, as always at Great Smoky Mountain Murder Mystery, there will be a murder! Who will it be? Will it be a contestant or one of our overzealous judges?

You will help solve the mystery. And the winner of American Idle will go home with a trophy. Sit back relax and enjoy the mayhem and murder (all in fun). But beware you may become part of the mayhem.
