# Luxury

# Comfort

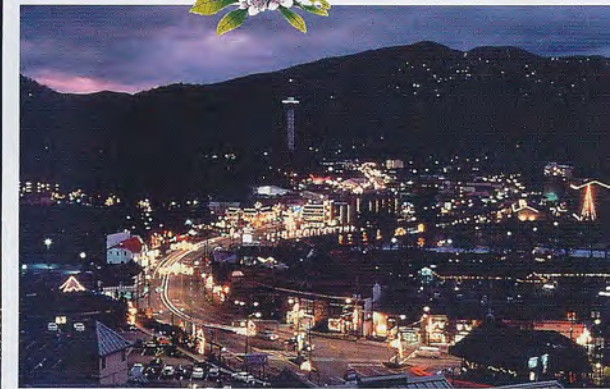

# Convenience

Laurel Inn is located on the hills overlooking Gatlinburg and just steps from downtown. We offer many advantages over the typical resort hotel. Relax in luxury and convenience away from traffic and bustle of downtown yet be close enough to join in the many activities available in Gatlinburg. Our custom walkway is only two blocks from the center of downtown. Laurel Inn provides one or two bedroom suites, some offering in-room Jacuzzis. Our balconies have breathtaking views of the Great Smoky Mountains. Snuggle by the fire or take a dip in our out-door heated pool. A fully equipped kitchen allows you to stay hidden in your mountain retreat or you may decide to venture downtown where more than a hundred great restaurants await your appetite.

Enjoy the brilliant colors of fall, the beauty of a fresh snowfall on a winter night, the fresh clean smells of spring or the cool mountain air after a hot summer day. The adventures of hiking, horseback riding, swimming, fishing, golfing, or even white water rafting, await your arrival.

We are just two blocks from tennis courts, basketball courts, softball field and picnic area with a great little fishing hole for children.

Special occasions such as honeymoon, anniversary or family reunion on the horizon? We have rate package specials available. Also consider us for your lodging needs for your next golf, ski or family outing.

**Plenty of FREE parking  
only two blocks from downtown.**
