# Relaxation Therapeutic Water Massage

Experience a Fantastic Water Jet Massage without getting undressed or wet! 36 Computer Controlled Water Jets simulate a personal "Finger Tip" Massage with adjustable Water Pressure, Temperature, and Pulsating Frequency to Relieve Pain and Tension in only a 10-15 Minute Session. A 15 minute massage is equal to a hour hands-on massage.

**THE ULTIMATE MASSAGE**  
Feel revived and exhilarated! Combining the benefits of a hands-on-massage with the latest technology to produce the most effective full body water massage possible!

## PROMOTES HEALTH AND FITNESS

Increases circulation. Relaxes and revives sore aching muscles. Relieves pain and tension. Reduces stress and provides the benefits of dry heat and massage. No direct contact with water, chemicals or other individuals.

## REMAIN FULLY CLOTHED AND DRY

A water proof sheet conforms to the user, allowing a full service massage on three sides of the body. The best alternative to traditional methods for today's life styles.
