Are you staying during cool weather or has a rainy day changed
your plans? Relax in our indoor pool with 100 feet of curved sliding

**Make a SPLASH at the
Riverchase Motel**
Pigeon Forge, Tennessee

Clear, cool water rushes and flows over the rounded mountain stones at the edge of the Little Pigeon River. Next door, splashing water also flows at the Riverchase Motel: the only Pigeon Forge motel with both indoor and outdoor water slides streaming into two separate swimming pools – for swimming and water sliding fun: any weather, any season!

Located directly on the Parkway at the corner of Dollywood Lane (light number 8), Riverchase Motel is convenient to the many activities and restaurants that downtown Pigeon Forge has to offer. Open all year, rates vary depending on season and room amenities.

Need to refuel after all that swimming action? Pizza, burgers, fish, ice cream, and groceries are steps away from your door. Literally everything is adjacent to or across the street from the motel.

Want to venture further once rested? Catch the Pigeon Forge Trolley at the stop directly in front of the motel. Only takes you shopping at the outlets, to Dollywood and Splash Country, or to a theater show like Dixie Stampede. Just a few minutes are needed to reach the Gatlinburg Welcome Center.
