treat. The unique format used at the Theatre harks-back to the old Music Halls of the 1890's.

Our multi-talented performers, all well-seasoned professionals, take turns adding their uniqueness to the inevitable comic mayhem for which Sweet Fanny Adams Theatre is renowned.

The Theatre opened in 1977 and, since that time, has been recognized as one of the most innovative and unusual professional theatre companies in the country. And recently, Sweet Fanny Adams Theatre was proclaimed a **Historical Treasure**.

Over 30 original musical comedies have had their World Premieres at the Theatre, with many of these productions going

on to play in cities throughout the country, such as Las Vegas and Atlantic City.

The theatrical magic at Sweet Fanny Adams Theatre is not conjured-up by chance. The driving force behind each frolicking masquerade is the

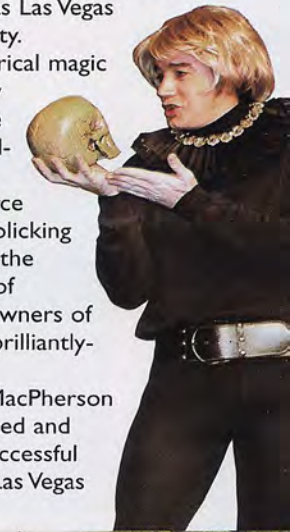

wonderfully offbeat talents of Don and Pat MacPherson, owners of the Theatre and its shows' brilliantly-innovative creative team.

In 1968, they formed MacPherson Productions Inc. and produced and staged the first and most successful original musical comedy in Las Vegas history. **Tom Jones**, written by the

MacPhersons, played for over two years at the Desert Inn Hotel. And in 1974, **The Bawdy Adventures of Tom Jones**, based on their stage script, was filmed starring Joan Collins, Trevor Howard, Terry Thomas and Pat MacPherson.

Two years prior to opening Sweet Fanny Adams Theatre, the MacPhersons produced all of the productions for the Beef-N-Boards Dinner Theatre chain with theatres in Indianapolis, Cincinnati, Louisville, and Lexington.

Join us TONIGHT for lots of laughs and musical fun! Be assured, an evening at Sweet Fanny Adams Theatre is always a surprise, where no one knows what may happen . . . including the cast.
