MAKING POTTERY THAT'S
DURABLE AND FUNCTIONAL
IS A MOUNTAIN TRADITION.
MAKING IT BEAUTIFUL IS OURS.

We've taken a basic necessity of life and transformed it into a treasured heirloom. Bring the simple beauty of mountain pottery—hand-thrown, glazed and fired by local artisans—into your home.

The rich, lustrous colors and authentic designs will stand up to generations of use and stay as beautiful as the day you got them. Visit us at Old Mill Square and start a tradition of your own.
